30 SECONDS OR LESS

REALLY, REALLY SHORT SKITS

About This Book

30 Seconds or Less is an experiment several years in the making. In the fall of 2005 I got to see a Second City show for the first time. It was a dream come true for a life long SNL/SCTV fan, considering the great legacy of comedic talent that has graced their stages, and it was educational for me as a comedy writer.

One of the aspects of the Second City format I enjoyed most is what they call the “Blackout Skit”. These scenes are usually no more than two or three lines long. Some don’t even have dialogue. It’s an excuse to make a quick joke and often a sharp point with the audience. They reminded me of Len Cella’s “Moron Movies”, a series of short films that aired on The Tonight Show in the early 80’s.

I began experimenting with this form of drama both on paper and on film. I employed this one joke format in some of Righteous Insanity’s short films, including “Adam and Eve” and “Desperate Housewives of the Bible.” Several of those scenes are included in this collection. Finally I had enough material to release this book, as an experiment, to see if we can’t push the boundaries of church drama a little further.

The original book released in 2008 included 31 skits. This new edition includes twelve new skits (for a total of 43). The last script, “Righteous Laugh-In”, is a series of quick jokes scripted in the “Cocktail Party” format used on the old *Laugh-In* show. It seemed appropriate to include it here.

This book and the sketches herein are copyrighted 2012 by Righteous Insanity. The book is free to download, print, distribute, and produce for the stage. If you are interested in producing any of these scripts for video, please email john@righteousinsanity.com for permission to do so.

Tyler and Neil walk out on stage. They stop, don't say a word for a short pause.

TYLER- *(humble)* Go ahead, man.

NEIL- No, it's okay, you can go ahead.

TYLER- You go first.

NEIL- You go first.

TYLER- I insist, you first.

NEIL- No, I insist.

TYLER- *(getting testy)* I said, you first!

NEIL- No! You go first!

TYLER- Say something!

NEIL- YOU say something!

TYLER- You!

NEIL- You!

TYLER- YOU!!!!!!

NEIL- YOU INFINITY!!!

TYLER- I'll show you Infinity!

Tyler punches Neil. Neil punches back. They start slugging it out, falling on the ground, rolling all over each other. Stage hands emerge to drag them off.

Marcy and Joseph enter.

MARCY: Come, Joseph, this man is a miracle worker. He made the blind to see, and the lame to walk.

JOSEPH: The lame to walk? How'd he do that?

"Staying Alive" plays. A lame looking nerd walks across the stage in a "cool" manner, ala John Travolta in Saturday Night Fever. Marcy and Joseph watch in amazement, shrug, and exit.

They Laughed at Noah

By John Cospers

ANNOUNCER: The next time someone knocks your faith, just remember, people laughed at Noah too.

The guy enters, points off and up at Noah in the ark.

GUY: Hahaha! Hey Noah! The lake's that way. What are you doing up there? Hahaha! Hey, how's it smell with all them animals? Hahaha! All that work on a boat, only to have it invaded by animals? I bet you're pooped! Get it? Hahaha! Pooped! Ahahahaha!

Thunder claps loudly.

GUY: What the heck was that?

The Answer is Six

By John Cospers

One blonde enters, stands at center stage, and looks up at a fixed spot. The other five blondes enter and form a semi-circle around the first blonde, staring up at the same spot.

The blondes huddle up. One blonde sticks her head up, looks around, then dives back into the huddle.

The huddle breaks. The first blonde runs off stage. The second and third blondes pick up a fourth blonde on their shoulders. The fourth blonde grabs onto the fixed spot, which is an imaginary light bulb. Blondes 2 and 3 spin the fourth around in a circle as the fourth holds onto the lightbulb.

The light bulb comes out, and the Blondes 2 and 3 set the Blonde 4 down. Blonde 4 spins around, dizzy. She hands the burned out bulb to the fifth blonde.

The first blonde returns to the stage, holding an imaginary light bulb. Blonde 1 hands the new bulb to Blonde 4. Blondes 2 and 3 pick Blonde 4 up and spin her in the opposite direction, screwing the light bulb back in.

Blondes 2 and 3 set Blonde 4 down. Blonde 6 reaches up and pulls on an imaginary cord, turning on the light bulb. The six blondes exit. A brunette enters.

BRUNETTE: The answer is six. It takes six blondes to screw in a light bulb.

Four guys walk on stage carrying the Ark on poles (can be pantomimed). One of the guys in the back is humming the Raider's of the Lost Ark theme. They get 2/3rds of the way across when one guy in the front stops the group and turns to the hummer.

LEAD: Johnson! Do you have to hum that song every time we carry the Ark?

He glares at Johnson a moment. They start forward. After a few steps, the humming starts again.

SISERA: Thank you.

Sisera runs off, into the house. Jael picks up a hammer and long spike.

JAEL: I don't mind at all.

Merry Christmas

WIFE- Peter? It's Misty.... You remember, Misty? Your wife? Are you ever coming home?... What do you mean he got arrested?... Huh, well, best stay out of it. If they ask you, just deny everything... Three times? Well good for you... What do you mean, it's not? You'd rather leave me with the kids and this mortgage so you can die with your buddy?... Fine, go grieve over him, but when you're done, could you stop by the store?... Well, we're out of milk, eggs, and bread. The kids need juice boxes for their lunches. Hold music starts to play.

Imitating Samson

In memory of Michael O'Donoghue

By John Cospers

An actor walks on stage.

ACTOR: Everyone has their favorite Bible hero. My personal favorite was always Samson. I love how he killed all those bad guys with a donkey's jawbone, and how he killed a lion with his bare hands. And the time he lit those foxes' tails on fire and burned all the crops? That was awesome. I'd like to do my impression of Samson for you. This is Samson after he had his eyes gouged out.

The Actor grabs his eyes and starts SCREAMING and kicking and flailing all over the stage, off the stage, through the audience, and out.

The Eunuch

By John Cospers

Gary the Eunuch enters.

EUNUCH: Hey, Philip? It's Gary . Gary , from Ethiopia ? Yeah, good to hear your voice too. Listen, I got your email with the story? Great stuff, man. I'm really glad you could use it. Uh, there's just one thing. Do you have to refer to me as Gary the eunuch?... The eunuch, you called me a eunuch in the story... Well, yes, I am a eunuch, but do you have to go advertising that? I mean when I go to parties, I tell people, "Hi, I'm Gary ," not "Hi, I'm Gary the eunuch..." I know, my name's not the important part... I know, but... two thousand years from now, I'd rather people read this and go, "Wow Gary got saved," not "Wow, that Gary guy's a eunuch." Well, what about this. Could you take my name out of it?

Deleted Scenes: Paul Gets a Job

By John Cospers

ANNOUNCER: Each time Paul went into a town, he would take a job so that no one could say he lived off the people. He worked as a merchant, a tent maker, and one time as a telemarketer.

PAUL: Hello, is this Mrs. Blankenship? Hello, Mrs. Blankenship, I'm Paul, a disciple of Jesus Christ called by his grace to be an ambassador for the gospel, calling on behalf of AT&T. Greetings to you and peace in the name of the Father and the Son, and the Holy Spirit. Mrs. Blankenship, are you happy with your current long distance provider?... Hello?... Hello?

The Last Shall Be First... Part 3

By John Cospers

ANNOUNCER- *(from off stage)* Jesus said that the last shall be first, and the first shall be

last. To help you all understand what he meant, please welcome Tyler and Neil.

No one walks on stage. Silence. Blank stage. Silence. Blank stage. Suddenly a huge commotion of fists, kicking, crashing, breaking glass, yelling, and screaming erupts from off stage. This goes on for 45-60 seconds. Suddenly Neil gets flung on stage. He stands, looks at the audience then runs back off stage. The fighting resumes and continues for as long as the laughter does or until you can't stand it any longer.)

LEAH: Oh yeah.

Daniel and the King

By John Cospers

(Daniel enters with the King and reads the writing on the wall.)

KING: We were sitting down to a nice dinner when all of a sudden this hand appeared and wrote that message. What could it mean?

DANIEL: Well, it's not good. Tonight, you will be murdered, and your kingdom will come to an end. Babylon will fall, and the Persian Empire will rise.

KING: That's awful!

DANIEL: But there is good news, King.

KING: Yes?

DANIEL: I just saved a bunch of money on my car insurance by switching to Geico!

Video Store

By John Cospers

(Rick walks up to Tony, a video store worker.)

RICK: Hey, what happened to your back room? Where'd all the dirty movies go?

TONY: New management. We were bought out last month, and the adult films were the first to go.

RICK: That's ridiculous! You really wanna give up that revenue, let alone deprive a man of his right to watch porn?

TONY: I'm sorry, sir. Not my decision.

RICK: Well, I guess I'll be going to that other video store from now on. Later, Tony.

TONY: Take it easy, deacon.

A Martyr, bloodied and beaten and in Biblical attire, enters.

PASTOR: He will give you a better life, and all you have to do is trust him. Just open this book and listen to the witnesses who trusted Him!

MARTYR: (*upbeat*) I was beaten, stoned, flogged, whipped, jailed, flogged again, whipped again, and then stoned one more time before they dipped me in boiling oil and then crucified me. Yes, sir, that's how the Lord prospered me.

The Pastor gives a stunned look to the Martyr, who smiles back.

TRUDY1- Well, I'm the fun Trudy. He said so himself.

DENISE: You did not! You told me to marry Pilate!

MOTHER: I said airline pilot, not Pontius Pilate!

Charlie, a homeless man, walks up to the two.

CHARLIE: Excuse me, can you spare a few bucks?

GLEN: Sorry, I don't have any cash.

Charlie exits quickly.

JIM: I can live with that too.

SOLOMON: Really?

Righteous Laugh-in'

By John Cospers

CHARACTERS

John, Addie, Megan, Denny, Beth

DIRECTOR'S NOTE: This scene is written much like the musical one-liner bits that used to be featured in the Cocktail Party segment on *Laugh-In*. The way the scene goes is some go-go music plays, and the cast dances (or for those who don't dance in church, the cast "moves interpretively"). The music pauses from time to time, and cast members do the one liners and short scenes. Music and dancing separate every scene/joke. Actors should wear distinct, and funny, costumes. The cast can be expanded to include more actors.

Lights up. Music plays, then stop.

ADDIE- Did you hear about the skunk who went to church? He sat in his own pew.

Music plays, then stop.

JOHN- I hear Noah liked to play Poker.

MEGAN- Yeah but he wasn't any good. His favorite hand was 2 of a kind.

Music plays, then stop.

BETH- People tell me I'm dumb, but the other day a guy came up to me in a theater and asked if my seat was saved. Whoever heard of a chair becoming a Christian?

Music plays, then stop.

DENNY- I was washed in the blood of the lamb to get rid of my sins. Now if only I could find a cure for my zits.

Music plays, then stop.

JOHN- I bet Moses was the star of his high school swim team. How many schools had a guy who could do laps without getting wet?

Music plays, then stop.

ADDIE- I can't believe I failed my driving test. I stayed up all night studying the Bible.

MEGAN- What book did you read?

ADDIE- The book of Collisions.

Music plays, then stop.

DENNY- I decided to take up surfing, so I read the book of Duderonomy.

Music plays, then stop.

BETH- I always felt sorry for the minor prophets. They worked so hard for the Lord, but never got called up to the majors.

Music plays, then stop.

MEGAN- I bet after Jonah got done propheteering, he coulda got a job on a fishing boat. He could be the bait!

Music plays, then stop.

JOHN- Hey, fellas, if your mom ever tells you to get a haircut, just remind her the only guy in the Bible who got one had his eyes gouged out!

Music plays, then stop.

ADDIE- I bet the disciples drove a Honda, because my Sunday School teacher always said they were in one Accord.

Music plays, then stop.

DENNY- Did you hear what happened to Lot's wife? She was a-salted.

Music plays, then stop.

BETH- I'll tell you why the Israelites wandered the wilderness for 40 years. They had a man leading them, and he never stopped for directions.

Music plays, then stop.

ADDIE- Why did Adam name Eve Eve?

JOHN- It was either that or, "Hummina hummina hummina hummina...."

Music plays, then stop.

MEGAN- I can't believe someone as smart as Eve would listen to a snake!

DENNY- Why not? We listen to politicians!

Music plays, then stop.

BETH- *(to Denny)* Of course there's a God, of course creation is true. Do you think that a random explosion of molecules billions of years ago would one day have the sense of humor to make you look that funny?

Music plays, then stop.

ADDIE- Why do we pray on our knees?

MEGAN- You'd look awful silly doing it standing on your head!

Music plays, fade lights out.
