PIGGY: I think we might be in trouble, Ahab. What do you think?

GOLLUM: Ahab thinks the precious sounds just like Elijah.

PIGGY: What? I do not!

GOLLUM: Yes, yes, you do! The precious and Elijah sound exactly the same.

PIGGY: No we don't!

DOBBY: Dobby agrees with his majesty. Queen Jezebel does sound just like Elijah.

PIGGY: There! Does that sound like me?

HOST: This weekend, we're talking about service. Every church has different of needs, and plenty of opportunities to serve. We know that every one of us was made for a unique purpose within the church. Just as the body has ears to hear, lips to speak, and feet to walk, the body of Christ takes all kinds of people to make it work. Please say hello to three such body parts, Yoda, Dobby, and Gollum.

The three enter.

HOST: Thanks for being here, guys.

YODA: Our pleasure it is.

DOBBY: Dobby is pleased he gets to be a part of such a special day.

GOLLUM: Gollum, gollum, gollum.

HOST: Yoda, let's start with you. You joined the church a while back, and immediately, you went to work. What is it that you do?

YODA: Teach Bible study, I do.

HOST: That's right. How's that going?

YODA: Difficult the journey. Untold dangers there are. Patience they must learn.

HOST: Well, I know your students are glad to have such a patient teacher.

YODA: Slow they are, but mindful of the Lord they will become.

DOBBY: Master Yoda brings Dobby to tears. Master Yoda is good teacher to Dobby.

HOST: I guess you're in Yoda's class.

YODA: My padawan learner, he is. Although absent he tends to be.

DOBBY: I know. Dobby gets so busy sometimes, he forgets to come. Bad Dobby! Bad, bad Dobby!

YODA: Calm you must be.

DOBBY: Sorry, Master Yoda.

HOST: Now Dobby, you don't have as visible a role as Yoda, but your job is still important. Can you tell the people what you do?

DOBBY: Dobby is on maintenance team here at church. Dobby changes garbage bags in trash, vacuums halls, and keeps the pastor's coffee pot full.

HOST: I know the pastor appreciates that.

DOBBY: Pastor is kind to Dobby. Dobby serve with all Dobby's heart.

HOST: And that brings us to Gollum.

GOLLUM: Smeagol!

HOST: Okay, Smeagol. You want to tell us what you do?

GOLLUM: Smeagol works with the preciousssess. My preciousssess.

HOST: And for those who don't know who your preciouses are, can you tell them?

GOLLUM: Smeagol works with youth group.

HOST: And how long have you been working with the youth?

GOLLUM: Thirty years.

HOST: I guess it's taken its toll on you.

GOLLUM: Smeagol used to be six feet tall, blonde, handsome.

HOST: But all things considered, would you do things differently?

GOLLUM: *(bad Smeagol)* Yessss! Smeagol is tired of Christian rock shows and lock-ins!

(good Gollum) No! Smeagol like lock-ins. Lock-ins make Smeagol happy! Teenagers make Smeagol happy! *(bad Gollum)* Teenagers make messes! They trash Smeagol's car and play music too loud!

HOST: Well, I know a lot of teenagers appreciate the work you have done. In fact one of them wants to say a special thank you.

Jar Jar Binks runs on.

JAR JAR: Oh mui mui I love you Gollum! Thanken you for bein' there!

GOLLUM: My preciousssss.

HOST: I'd like to thank all our guests this morning. Remember, no matter what your gifts are, there's a place for you to serve here.

NARR: Once upon a time, there were three sisters who married three very different men.

The first sister, Esmerelda, married a Jedi.

YODA: Love you I do, yes.

NARR: The second married, Clarice, a house elf named Dobby.

DOBBY: Dobby loves Clarice. He will do whatever he can to makes her happy.

NARR: And the third sister, Jane, married Gollum.

GOLLUM: Smeagol needs another beer. Yes, yes, hockey is on.

NARR: Esmerelda valued intelligence in her man. That's why she married Yoda. YODA:

Help you I can, yes.

NARR: When it came to communication and honesty, Yoda excelled. But he was a little too good at both.

YODA: Too quick you cook your roast beef. Impatient you are. Slow cooking you must learn.

NARR: He criticized the food, her taste in furniture... her looks.

YODA: Flabby you thighs have become, yes.

NARR: Esmerelda was pretty miserable.

YODA: Adventure, ha. Excitement, ha. A wife craves not these things.

NARR: Her sister Clarice was very different. She liked a man who would do whatever she wanted. And that's why she married Dobby.

DOBBY: Dobby is so happy you are home. Dobby has made your favorite dinner, washed and pressed your laundry, groomed the poodle, and weeded the garden.

NARR: There was nothing Dobby wouldn't do for her.

DOBBY: Dobby will change your oil and clean your car before work in the morning.

NARR: But Dobby also wouldn't do anything for himself.

DOBBY: Dobby wants to watch what you want to watch. Dobby wants whatever living room suite you want. Dobby will wear what you tell him.

NARR: Clarice was unhappy. Dobby was unhappy, even though he wouldn't admit it.

DOBBY: Dobby lives to serve.

NARR: And I'll tell you who else was unhappy: Jane. For she had married the opposite of Dobby.

GOLLUM: Smeagol wants his dinner! Smeagol hungry!

NARR: Gollum never gave a second's thought to Jane's needs. He just wanted to be left alone with his TV and remote control.

Gollum pulls out the TV remote.

GOLLUM: My precioussssssss.

NARR: Every girl fantasizes about finding the perfect husband, but even in the realms of fantasy, there are a lot of frogs.

YODA: Frog I am not.

NARR: But even a frog can be taught to be a better husband - if he chooses.

DOBBY: Dobby would do anything for Clarice.

GOLLUM: (*good Gollum*) Smeagol should do the same. Yes, yes, be a better husband for Jane. (*bad Gollum*) No! Jane should learn not to burn Smeagol's dinner. And not to talk during re-runs of Magnum PI.

NARR: Once upon a time, in an alternate universe from the one we know and love in the movies, two Jedi met on a volcano planet so they could work out their differences.

Obi Wan and Anakin enter, fighting. Obi Wan cuts off Anakin's hand.

ANAKIN: Ow! My hand! Again!

OBJI WAN: That was for the scene with Padme by the lake!

Obi Wan hits him again.

OBJI WAN: That was for the scene with Padme by the fire place!

Obi Wan hits him again.

OBJI WAN: That was for the scene on the balcony in the third movie!

Obi Wan hits him again.

OBJI WAN: That was for every other scene you phoned in, you hack!

Obi Wan exits.

ANAKIN: I hate you!

Anakin falls over as if dead.

NARR: Poor Anakin lay there dying for hours. Then a house elf came by.

Dobby enters.

DOBBY: Oh no! Look at the poor Jedi all beaten to a pulp! Dobby should help the poor man. But Dobby must make mischief on Master Malfoy's behalf. Dobby doesn't want to be naughty. But Dobby must obey evil master! Bad Dobby! Bad, bad Dobby to leave poor Jedi in ditch like this!

Dobby exits.

ANAKIN: I hate you!

NARR: Then another small creature came along.

Gollum enters.

GOLLUM: Look! Smeagol sees a Jedi! Yes, yes, evil Jedi can help Smeagol to recover the precious. We should help him. *(bad Gollum)* No! Leave Jedi in ditch! *(good Gollum)* But Jedi will die if Smeagol do not help! *(bad Gollum)* Good! Then there wil be no more original trilogy. And Smeagol's movies will be number one trilogy of all time! Besides, did you see his acting? Terrible! Made Orlando Bloom look like DeNiro!

Gollum exits.

NARR: So Gollum also went on his way.

ANAKIN: I hate you!!

NARR: Then another little creature happened by.

Yoda enters.

YODA: Oh, wicked Jedi found I. Lying in ditch he is. Mess him up Obi Wan did.

Anakin groans.

YODA: Urge to leave him, have I. The dark side is this in me. Help him, I must, for the way of Christ that is.

Yoda helps Anakin.

NARR: So Yoda helped Anakin, the young Jedi who had slaughtered all his fellow Jedi, and nursed him back to health. If this is how a Jedi would treat a Sith, how much more should a Christian be with his or her enemies?

NARR: What is the kingdom of God? The kingdom of God is like a treasure that a man discovered in the middle of a field. When he found it, he buried it again, then sold all he had so he could buy that land and possess the treasure.

Gollum enters with the Ring.

GOLLUM: Yesss, Smeagol has you now. I love you. I need you. My preciousssss.

NARR: That's kinda creepy. Can we get Gollum out of here?

GOLLUM: No! Please don't send Smeagol away! Smeagol be nice. And besideses, Smeagol and the Preciousss are such a good metaphor for the Kingdom of God. Smeagol, and Preciousssss. My preciousssss.

NARR: Okay then. The kingdom of God is like the precious.

GOLLUM: My preciousssss.

NARR: And for those who find the kingdom of God, the kingdom means freedom, liberation. The lame can walk, the blind can see, and the--

Dobby enters wailing, holding a sock.

NARR: And the house elf has been set free.

DOBBY: Look kind Narrator! Dobby has been given clothes. Dobby is free! (wails crying) Dobby is free Gollum!

GOLLUM: Stay away from the preciousssss.

NARR: So where is this kingdom of God? It's not as far as you might think. Sure, there's a real place called heaven, where the streets are paved with gold, but the kingdom of God isn't just for the future. It's right here, on Earth.

Yoda enters.

YODA: It surrounds us, penetrates us. You can feel it all around you, between you, me, the tree, the rock, everywhere, yes. Even between the land and the ship.

NARR: Okay, this is getting a little old.

YODA: Look I so old to your eyes?

NARR: I didn't mean you, I mean--

YODA: When nine hundred years old you reach, look as good you will not.

NARR: Actually in the kingdom of God, I never will grow old. We'll live forever with Christ.

GOLLUM: My precioussss.

NARR: Yes, that's right. The precioussss.

DOBBY: And we will be free.

NARR: And we will be home with the Lord.

YODA: Your father he is.

NARR: All right, scene's over.

The Narrator walks off.

YODA: Patience. You must learn patience!

The Nature of Sin

By John Cospers

CHARACTERS

Dobby, Gollum, and Yoda

Dobby enters bawling.

DOBBY: Why does Dobby do such wicked things? Dobby likes Harry Potter. Dobby does not wish Harry Potter harm. So why did Dobby fill Harry Potter's luggage with dog biscuits when he went through train security? (*wails*) Now poor Harry Potter is searched by Homeland Security. Bad Dobby! Bad, bad Dobby!

Gollum enters.

GOLLUM: Look at the poor little house elf. So sad. So sad is he. So full of guilt. Smeagol should tell him he is okay. God can forgive him. Yes, yes, he can. (*bad Gollum*) No! Let the house elf suffer! He is wicked. Yes, yes, and naughty! (*good Gollum*) But poor house elf feels bad! Some one should tell him is okay. (*bad Gollum*) No! House elf should give himself a swirlie because he is going to Hell! (*good Gollum*) What would Jesus do? (*bad Gollum*) He would tell house elf he is wicked bad!

Yoda enters.

YODA: Conflicted are you, Smeagol. Help you I can, yes!

GOLLUM: Little green man can not help Gollum!

YODA: Judge me not by my size, for my ally is the Holy Spirit.

DOBBY: Holy Spirit cannot help Dobby. For Dobby does not understand why Dobby does what Dobby does not want to do! Bad Dobby!

YODA: So certain are you that forgiveness you cannot have. No sin there is that forgiven cannot be.

GOLLUM: (*good Gollum*) He speaks of salvation! Jesus died for our sins! He can forgive Smeagol! (*bad Gollum*) Smeagol is doomed! Smeagol has no hope. (*good Gollum*)

Smeagol can be forgiven! Yes, yes, new life in Christ! (*bad Gollum*) Smeagol does not deserve forgiveness! Neither does house elf.

Dobby wails and cries.

YODA: Earn it you cannot. Deserve it, you do not. Receive it, you can.

DOBBY: Is this true, Yoda? Can Dobby's sins be erased?

YODA: Erased, they can. Covered by the blood of Christ, they are.

DOBBY: Oh happy day! This is even better than getting a sock from my master!

GOLLUM: (*good Gollum*) Look how happy house elf is. He is forgiven. We wish we could be forgiven. (*bad Gollum*) Who would ever forgive Smeagol the things he has done?

YODA: Forgive you, God can, but accept him you must!

Master is goot to Smeagol! *(bad Gollum)* No! Master Yoda is from inferior trilogy! He does not deserve money. Gollum will keep the coin. My preciousssssss.

YODA: When one month later it became, to his servants, the master did go.

DOBBY: Master Yoda! Dobby has made you a great fortune! And look! World Wrestling Entertainment stock is up again this morning!

YODA: Good work you have done! Come and dine at my table you will.

DOBBY: *(bawling for joy)* Dobby accepts your invitation with gratitude!

YODA: To the other servant, he turned.

GOLLUM: Master is greedy! Smeagol keep preciousss to himself! My precioussss!

GOLLUM: No! My precioussss.

YODA: *(using Jedi mind tricks)* Give the talent to me you will.

GOLLUM: Give the talent to you I will.

Gollum gives Yoda the coin.

YODA: Say Star Wars is better than Lord of the Rings, you will say.

GOLLUM: Star Wars is better than Lord of the Rings. Ewoks are better than Hobbitses!

YODA: He who has ears, let him hear. *(laughs)*
